

## Pod Pack 1 USB Microphone with Broadcast Stand and Cable

### Key Features:

- Included USB cardioid condenser microphone
- All-steel construction
- Dual suspension springs for stable angle
- Fully adjustable - microphone can even be suspended upside-down
- Clamps to nearly any desk or table
- USB cable included

### Overview:

The Pod Pack 1 is a professional upgrade to any announce studio. The kit consists of a high-quality USB condenser microphone paired with a fully-adjustable suspension boom arm, keeping the desk clear and the microphone always in position for podcasting, on-air or voice-over applications. Assembly is a snap and the articulating boom clamps securely to nearly any desk or table surface.
